

Michelle Becker

Specializes in Competitive, Excel and Recreational skaters of all ages. Coaches Moves in the field, Freestyle, and Power skating,

Hello, my name is Michele Becker. I grew up in Milwaukee. I currently live in Chaska with my husband, Bob, son, Chris, and dog, Maggie. I started skating at the age of 13 focusing on figures and freestyle, and passed my sixth test figures and novice freestyle at the age of 25. I started ice dancing in my early 20's and eventually passed two of the gold dances. Recently, I have been testing the moves in the field and am currently working on the Senior moves as well as solo dance and free dance. I began coaching for the Greater Milwaukee FSC and Wisconsin figure skating clubs in the mid 1980's. I moved to the twin cities area in 1995 and have coached for the Owatonna FSC, Tri County FSC, Farmington Skate School, and Shakopee Skate School. Currently, I coach for the Chaska Figure Skating Club and the Heritage Figure Skating Club, as well as the Chaska Learn to Skate program. I am a member of the PSA and regularly attend clinics and seminars to help me stay current with new skating techniques and help my students be the best skaters they can be.

- Member of United States Figure Skating Association
- Member of Professional Skaters Association
- Learn to skate instructor
- Concussion Management completion and Concussion in Youth Sports Training certified
- Professional Skating Association CER certified
- Basic Accreditation Rated
- Registered Moves in the Field Rated

When not at the rink, I enjoy reading, sewing, and working out in the yard. I have always loved skating and hope to pass my love for the sport onto my students. I believe that students should work hard at achieving their goals while enjoying what they do. Many life lessons are learned on the ice.
