Glow Walk  
10.15 | 5-8PM -McKnight Park

Halloween Live  
10.29 | 4-6PM - CCC

The Junior Board season has begun at Chaska Figure Skating Club!

This year we have planned September through May events including fun activities like Big Sister, Little Sister, Glow Walk, Halloween Live and many more!

The Events schedule is attached to the newsletter so please save the dates to make sure your skater is able to attend and join in on the fun. This is a great opportunity for our board members to help promote the figure skating club, volunteer in the community, and to support younger skaters as they get started on their figure skating journey.

The next few months the board will be receiving their little sister assignments and talking about mentorship. We will host a short meet and greet event where we will have a fun activity planned with little sisters. The board will also be helping out with the CFSC Glow Walk/Run event and hosting games at the CCC for Halloween live.

Please keep up to date on communication from the club and grab quarterly newsletters and schedule from the coaches' room door.

I am looking forward to a great season with the Junior Board

Jenn
