Halloween live and the Glow Walk were fun events last month for the Junior Board. Halloween live brought in a huge crowd from the community and alongside hosting the games we gave out information about the skating club and around 600 individual suckers...if that gives you an idea of the crowd! The Junior Board should have won best dressed for the evening. Our group came with a Mario and Luigi pair, several fairies..including the tooth fairy, a cowboy riding a dinosaur and our own t-rex.

We have 2 events in November. Our first event is Feed My Starving Children. We will be packing and boxing food at the Chanhassen location. This food is shipped all over the globe.

This month we also have a Junior Board meeting. With the release of the upcoming ice show theme, we will use this meeting to plan our next bigs/littles event and talk about Cast Party plans. It will be great to bring all of the Boards ideas to the table and plan a great event for the last day of the ice show.

Thank you for everyone's participation in 2022. We are off to a great start for the year and have some fun events planned for the holidays!
