CFSC Junior Board Leaders

Juhi Ghatti
Tenley Rutledge

January was a busy month for the Junior Board. The Junior Board hosted National Skating month at the Community Center and handed out cookies and swag to promote skating and the Chaska Figure Skating Club. Board members provided lessons to attendees and got a chance to show off some skating skills!

The Junior Board also hosted the Bigs/Littles event which was a huge success. Skaters made picture frames with their big skater or with a friend if their big or little was unable to attend. They also made snowman soup and played would you rather to get to know each other!

February is all about planning as we look forward to a busy next couple of months with the cast party, our spring Bigs/Littles exhibition, and planning for the end of season Junior Board trip.

Stay tuned for information about the Bigs/Littles number coming up at the Spring exhibition! We are hoping to have a great turnout and stellar performance. Last year the skaters had a lot of fun!
